The second #4 here is false-
One of the FBI's samples of
creating self-serving paper
for later retrieval if this-
use. Compare with #63,
misdated June 25, 1963 but
referring to meeting ~~with~~ with
RFK on July 16, 1973.
(Compare with #70, B. M's
9/20/63 memo of conversation with RFK)
And with 1st remaining sentence
on #64, Evans to Belmont 7/16/63)
~~Obviously~~, In #64 ambiguous reference to
what "did not appear" in RFK memo dated
to Jones, Not true.
